The following fees are current for 2022 – 2023.

- **1 Hour Lecture/Trunk Show:** \$350

Vending: (In person only)

Rona will offer patterns, books and supplies for sale at lecture/workshops. No commission or percentage will be paid to host Guild/Organization. Guild/Organization will not be responsible for shipping cost on items for sale.

Expenses: (In person only)

- **Transportation:** The Guild/Organization will be responsible for reimbursement of all travel expenses. This includes current federal reimbursement rate per mile if traveling by car less than 100 miles, or round-trip economy ticket if air fare is required. All fees for additional baggage, airline fees, parking and/or tolls will also be reimbursed.
- **Lodging:** The Guild/Organization will provide a hotel room with private bath, internet access and nearby restaurant.

- If possible, I am happy to piggyback Guilds in the area to share expenses.
- If the Guild/Organization is within 100 miles of Monroe, North Carolina, no lodging will be required.
- Meals: A \$40 daily per diem will be charged as Rona prefers to purchase her own meals.
- Extra Days: If extra time at your location is required to save you money on airfare or because no flights are available after the lecture ends, the Guild/Organization will be responsible for lodging and per diem on these additional day(s).

All fees and expenses must be paid to Rona Herman by the conclusion of the last lecture.

Cancellations:

The Guild/Organization may cancel due to insufficient enrollment up to 60 days prior to date of Lecture. If engagement is cancelled within 60 days of engagement a \$100 cancellation fee will be imposed. In addition, if airline tickets have already been purchased, the Guild/Organization will be responsible for reimbursement of any ticket cancellation costs. Fees to be paid within 14 days of cancellation.

If there are conditions beyond our control (Natural disaster, death in the family, etc.) the contract may be terminated without a penalty payment assessed by either party. A rescheduling of the program may be an option.

If a sharing Guild cancels, it is the Guild/Organizations responsibility to notify the other Guilds involved so that expenses can be re-calculated.

Miscellaneous:

Unfortunately, Rona does not ship quilt samples ahead of time. However, she will happily provide bio information and pictures for advertising of the agreed upon Lecture.

Rona knows many Guilds have their own contracts. However, for continuity, Rona prefers to use her own contract. If the Guild/Organization contract is also used, Rona's contract shall be deemed the governing contract in the event of a question or dispute. No part of this contract may be altered without the permission of Rona Herman.

If this contract, in its complete entirety, meets with your approval, please sign the contract and return to Rona Herman either via postal mail or email. A copy will be held for our records and the original will be signed and returned to your Representative.

I look forward to working with you!!
